

READING**(12 marks)****Read the following text carefully, and then answer the questions**

In 1877, the Ottoman Empire went to war with Russia. The medics who took care of the wounded soldier on the Russian side marked their ambulances with a red cross. This was the symbol used by all countries to protect medics during battles.

The Red Crescent Society is part of the International Federation of Red Cross aid .This is a huge organization that has 97 million members, volunteers and supporters in 187 National Societies. Red Crescent societies are important to the International Federation, as they have developed guidelines that include non- Western traditions.

Today, the Red Crescent is very important in responding to disasters such as earthquakes or fires, as well as providing aid to developing countries. Red Crescent volunteers work to prevent suffering for everyone –regardless of nationality, race, religion or gender.
