

## READING

(12 Marks)

**Q1:** Read the text and answer the following questions:

Abdelrahman Alzorgan is an inventor from Jordan. **He** was born in 1990 in Tafilah. His father was a farmer. When he was a child, Abdelrahman helped him on the farm. Life on the farm was difficult because there wasn't enough water for the plants in the summer. In the winter, the plants got too cold. While they were still at school, Abdelrahman and his brother Mohammad invented a new machine. The machine watered plants in the summer and kept them warm in the winter. **They** wrote about the machine and entered a competition for students. Abdelrahman and Mohammad won a prize. After he left school, Abdelrahman decided that he wanted to help more young people, so he taught them about his ideas. Abdelrahman dreams to help other people and make the world better.
