Our trip to the Shaumari Nature Reserve  
by Rakan Madi

The Shaumari Nature Reserve opened in 1975. It's near Azraq desert in the east of Jordan. My class visited the reserve last week.

Mr Quadi works at the reserve. He was our guide for the day. He was very friendly. First, he showed us some pictures of the animals and he answered some questions. I asked him about the Arabian oryxes' food. It's interesting because they eat plants and fruit. They don't eat meat. Then we went to see the animals. We were careful because the animals don't like noisy children! The oryxes were white and they were beautiful. I took some photos.

Next, we had a picnic and we played in the playground. It was good fun. Finally, we went home. It was a great day.
