Note: Please answer all the following questions: -

I. Comprehension:

A. Read the text carefully and answer the following questions: (21 points)

Amsterdam's Olympic Stadium is a great place. Since it was first used, the Olympic Stadium has gone through several changes. In 1987, the city government wanted to destroy it. People opposed its destruction, so the government listed it as a national monument. Renovation of the Olympic Stadium started in 1996. Prince Willem Alexander reopened it on 13 May 2000. The Olympic Stadium has become modern and has recovered its attractive brick construction of 1928. Once again, it serves as a location for sporting events.

1. What is the best title for the text?

.....

2. When did the city government want to destroy it?

.....

3. Did people agree to destroy it ?

.....

4. When did the renovation started ?

.....

Q.3

In the Middle East, there has recently been a very interesting discovery of thousands of lines. These structures which are in the middle of the desert are visible only from the air. Although they have probably been there for about 2,000 years, nobody has ever seen them before now. Different designs cover a large area from Saudi Arabia to Syria. Archaeologists are now doing more research on the structures.
