

### Section 1: Reading Comprehension (6 marks)

The Jordan Museum is in Amman. It opened in 2013. The modern building is made of stone and glass. The museum has lots of information about the history of Jordan. Inside the museum, there are more than 2,000 objects. The oldest objects in the museum are more than a million years old. Most of the objects from this time are made of stone. Some of the objects in the museum are from the Roman era. They are made of clay, stone and glass. There are modern objects in the museum, too. You can see computers and you can learn about technology. The museum has also got a library, a shop and a café.
